### **Business Description:**

*Ready to franchise trendy Restaurant!*

This established restaurant has been serving food in the highly sought after Altamonte Mall area of Seminole County, FL for many years. Located in an outdoor center with other National chain restaurants and nationally recognized retail tenants, this restaurant is perfect for an experienced owner to take it to the next level or bring their own concept to a fully furnished, turn-key location.

The restaurant features counter service, a self-serve drink station, and mostly booth seating. Highly rated on social media, this Mediterranean themed restaurant serves fresh food with all the staples you would expect such as kabobs, falafel, and shawarma. They make several flavors of hummus and serve fresh salads.

The restaurant is like new, and very clean. They have an exceptional rating with the health department and have never received a failing grade.
